Notice Regarding Unauthorized Roadside Parking

This is to inform all faculty members, doctors, staff, students, and other members of IQ City Medical College & Hospital that **parking of vehicles on the roadside between the Main Circle and the South Gate is strictly prohibited.**

Despite repeated requests from the Security Department, it has been observed that some vehicles continue to be parked in this restricted area, causing obstruction to traffic movement and compromising campus safety. Such instances have also been observed by the Management.

All vehicle owners are hereby directed to park their vehicles **only in the designated parking areas.** Security personnel have been instructed to ensure strict compliance with this directive.

Effective immediately, any vehicle found parked in the prohibited area will be subject to appropriate action by the Security Department, which may include immobilization (wheel lock), towing (if applicable), or any other disciplinary measures as decided by the Management.

All members are requested to cooperate with the Security Department and adhere to the parking regulations to ensure smooth traffic movement and maintain discipline within the campus.

This notice shall be treated as most urgent and will remain in force until further orders.
