Ref. No. IQMC / SA / 26 – 27 / 134 Date: 17-10-2026

NOTICE

ORIENTATION AND AWARENESS PROGRAMME FOR PARENTS / GUARDIANS OF M.B.B.S STUDENTS ADMITTED UNDER A.Y. 2026 2027

A. Reference notice IQMC / MEU / BAP – FC / 26 – 27 / 101, dated 28-09-2026 (shared as attachment.).

B. All parents/guardians of students admitted to the M.B.B.S course for the Academic Year 2026–2027 are hereby informed that the College will be conducting a Parent Orientation and Awareness Programme on the dates specified against the names of the respective students in the date-wise lists circulated separately. Parents/guardians are requested to attend the programme on the specific date allotted to their ward and report to the designated venue at the time communicated by the College. The date-wise schedule has been prepared to facilitate the smooth and effective conduct of the programme. Parents are, therefore, requested to adhere strictly to the allotted schedule.

Importance of the Programme:

The transition to medical education marks a significant phase in a student's academic, personal and professional life. The M.B.B.S course demands sustained academic commitment, discipline, emotional resilience, ethical conduct and the ability to adapt to a structured and demanding learning environment. The **Parent Orientation and Awareness Programme** aims to familiarise parents/guardians with the expectations, policies and support systems of the institution. It will also provide an opportunity to establish effective communication between the College and parents, enabling them to work together in the best interests of the students.

The programme will focus on the following key aspects:

1. **Academic Structure and Expectations:** An overview of the M.B.B.S curriculum, attendance requirements, internal assessments, university examinations, academic progression and the importance of regular study and participation in academic activities.
2. **Discipline and Institutional Regulations:** Familiarisation with the rules, regulations, code of conduct and professional responsibilities expected of medical students, including adherence to institutional policies.
3. **Professionalism and Medical Ethics**: Emphasising the importance of integrity, empathy, respect, confidentiality, responsibility and ethical behaviour from the beginning of medical training.

Sovapur, Jemua,
Durgapur - 713206, India
Phone: 0343-2608500

www.iqcitymedicalcollege.in

4. **Student Well-being and Mental Health:** Creating awareness about the academic pressures associated with medical education, the importance of emotional well-being, and the support and counselling facilities available to students, wherever required.
5. **Anti-Ragging and Student Safety:** Sensitising parents and students regarding the prohibition of ragging, prevention of harassment, respectful peer relationships, appropriate grievance-redressal mechanisms and the responsibility to maintain a safe and supportive campus environment.
6. **Role of Parents in Student Development:** Encouraging parents to maintain constructive communication with their wards, provide appropriate emotional support, promote independence and responsibility, and remain attentive to any concerns affecting the student's academic performance or well-being.
7. **Communication with the Institution:** Familiarising parents with the appropriate channels of communication with the College for academic, administrative, welfare-related or other student concerns.
8. **Responsible Use of Social Media and Digital Platforms:** Highlighting the importance of responsible online conduct, respect for privacy, confidentiality and compliance with institutional policies while using social media and other digital platforms.

Instructions to Parents/Guardians

- Parents/guardians must attend the programme on the date specifically allotted to their ward.
- Kindly report punctually at the designated venue and cooperate with the arrangements made by the College.
- Parents are requested to treat this programme as an important component of the induction and orientation process and extend their cooperation towards its successful conduct.

The College believes that a strong partnership between parents and the institution is essential for nurturing responsible, disciplined, compassionate and competent future medical professionals. The active participation of parents will help ensure that students receive consistent guidance and support throughout their medical education. Reference Annexure I & Annexure II for the detailed list, date-wise.
